# Why visit our showroom?

Personal expert assistance from a team with 39 years of experience:  
You can be confident that our advice and assessments are based on sound knowledge and training.

Extensive product range:  
Whether you are looking for help with daily tasks or require specialist care equipment for specific disabilities, we provide solutions that allow you to maintain your independence and remain in control of your life.

Space and access:  
As you would expect, our showroom is easily accessible and provides a large space to try equipment and ensure you are comfortable with it before purchase. We also have ample accessible parking to the front of the showroom.

Opening hours  
**Monday to Friday,  
8am to 4pm**

Please feel free to drop in to our showroom any time during opening hours. However, to ensure that we can provide you with the best level of service, we would recommend that you call to arrange an appointment with one of our friendly and knowledgeable advisors.

To arrange an appointment  
**Call: 01473 741 144**  
**Email: mail@felgains.com**

# Ways to place your order

If you are unable to visit our Ipswich showroom, you can also place an order by phone, email or post:

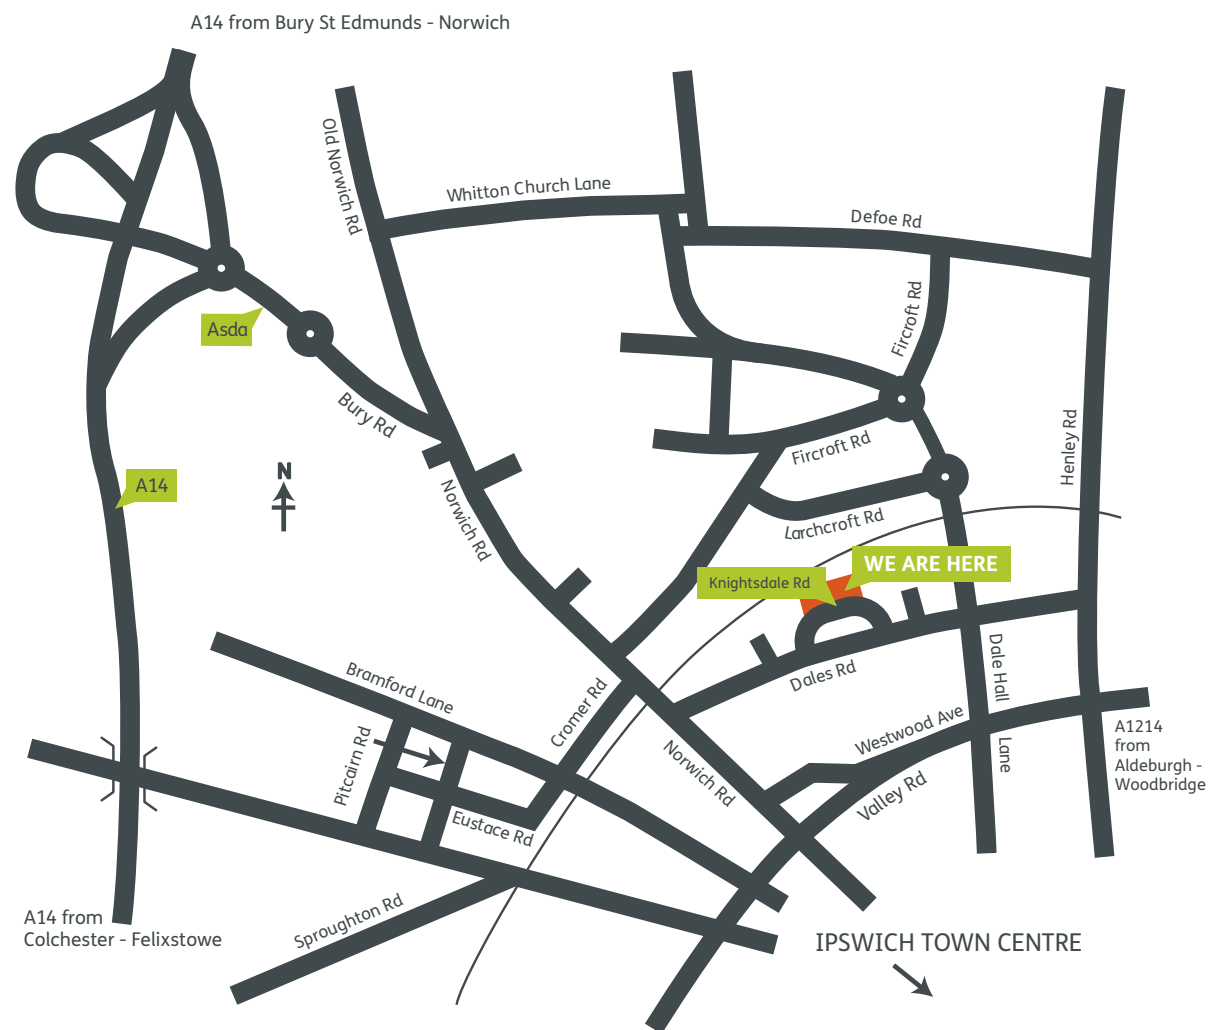

- 01473 741 144
- customerservices@felgains.com
- Felgains, 33 Knightsdale Road, Ipswich, IP1 4JJ

We would like to thank Crest Nicholson for use of their show homes for product photography.

## How to find us

### Travelling from Colchester, Bury St Edmunds & Norwich:

Take the exit marked A1156 Ipswich West and North off the A14.

Follow signs to Ipswich A1156. Follow Bury Road into Norwich Road. Turn left after the railway bridge into Dales Road.

The second road on the left is Knightsdale Road. We are 100 yards down on the left.

### Travelling from Woodbridge, Aldeburgh & Lowestoft:

Turn right off the A12 at the Roundabout marked Ipswich A1214.

In Ipswich, follow signs marked A12 Colchester/A14 Bury. Turn right into Henley Road at the traffic lights.

Turn left down Dales Road. Go straight over the crossroads. Take the second road on the right into Wharfedale Road. At the top, turn left into Knightsdale Road. We are 100 yards down on the right.

## What our customers say

“ We would like to express our genuine gratitude for your professional approach for the installation of our stairlift. All of your staff involved have been extremely helpful and friendly and the fitters have done an excellent job with the installation. The stairlift is fantastic and it will most certainly be life changing for my mum; it means that she will still continue to live at home independently. ”

“ This is just to say a big thank you for getting the chair to my father so quickly. It has much such a difference to him... He has a smile on his face when he is in it. I never thought we would get such an improvement at this stage of his Alzheimer's, but it means the world to see a bit more of Dad still there. ”

“ Dear caring people, many thanks for your part in making my dream for my cousin come true at last. She is delighted with the stairlift and cannot speak highly enough of the care and consideration of your installation team. ”

“ We would like to thank you all very much for the very helpful and friendly service that you have given us with the purchase of our new wheelchair. We can now enjoy our forthcoming holiday in Scotland 'in comfort' thanks to you all. ”

“ I should like to take this opportunity to let you know how impressed I was by your team; they were highly efficient and kindness personified. ”

“ We would like to thank all of the staff for the excellent service we received in purchasing the stairlift and riser recliner. We were looked after very well and all the staff were very helpful and advised us of the best products for our daughter. ”

### Ultra-Narrow Walking Frame

Height adjustable ultra-narrow walking frame designed for easy use in small spaces, available in three heights.

Height: 720mm – 950mm/28 – 37in (across sizes)

SWL: 160kg/25st

-----------	------------

### Rota Cushion

Soft padded turning disc, ideal for use on car seats, chairs and beds.

FEL25-027	Rota Cushion, Standard
FEL25-028	Rota Cushion, Large

## Raizer Lifting Chair

The Raizer emergency lifting chair is a fast and safe solution when someone has fallen and needs help with transfer to either a standing or sitting position.

### Key benefits

- Can be assembled quickly by one person and does not require physical effort
- Fast, stable and dignified operation minimises distress and discomfort for the person who has fallen
- Lightweight design for ease of use and transport
- Exceptionally long battery life

### Technical Information

SWL: 150kg/24st

Seat dimensions: 470mm W x 220mm D

Total Weight: 13kg

FEL25-051	Raizer Including Carry Case & Charger, Without Remote
FEL25-052	Raizer Including Carry Case & Charger, With Remote

## Journey Stand-Aid

The Journey is an ultra-compact and highly manoeuvrable stand-aid that supports a wide range of needs.

### Key benefits

- An adjustable lifting bar provides flexibility and improved comfort by giving the user the best lift height to enable them to stand safely
- Cowhorn handles encourage participation in the stand
- The foldable design facilitates easy storage and transport
- A height adjustable knee pad ensures the user feels comfortable and supported throughout the transfer
- Can also be used as a rehabilitation aid in gait training by removing the foot tray

### Technical Information

SWL: 155kg/24st

Dimensions: 1000mm L x 685mm W

Lifting range: 720mm – 1530mm

Warranty: 2 years

FEL27-034	Journey Stand-Aid
-----------	-------------------

## HomeGlide Stairlift

The HomeGlide is a straight flight stairlift that combines a simple and attractive design with robust quality and reliability.

### Features and Benefits

- Slimline rail for a discreet look
- Concealed drive rack
- Safety features include an anti-entrapment sensor
- Battery operation allows the stairlift to be used in a power cut
- Emergency lowering function
- In stock for swift delivery and installation

### Options

- Powered seat swivel for easy access off the stairlift
- Powered hinged track to avoid conflict with doorways, where necessary
- Choice of joystick controls
- Outdoor version available

### Technical Information

SWL: 138kg/22st

FEL03-004	HomeGlide Stairlift
FEL40-005	HomeGlide Extra Stairlift

The HomeGlide Extra (shown below right) provides a premium straight flight stairlift with an ergonomic and attractive seat.

It also features an increased capacity with a SWL of 146kg/23st.

HomeGlide Track

HomeGlide Extra

## MediTek Stairlift

The MediTek straight flight stairlift offers a tried and trusted solution for safe and stable travel up and down staircases.

### Features and Benefits

- Automatically remains on charge whenever parked
- Digital fault read-out for basic troubleshooting
- Safety features include an anti-entrapment sensor
- Battery operation allows the stairlift to be used in a power cut
- Emergency lowering function

### Options

- Powered seat swivel for easy transfers on and off stairlift at the top of the stairs

### Shower Stool

Height adjustable shower stool with grip handles and slip-resistant feet for support while washing.

Height: 460 – 585mm/18 – 23in

Width: 550mm/22in

SWL: 125kg/20st

FEL40-012 Shower Stool

### Wall Mounted Shower Seat

Foldable wall-mounted shower seat with handles for added user safety. Available with height adjustable drop-down legs for extra stability.

Width: 490mm/19in

SWL: 114kg/18st (without leg), 160kg/25st (with leg)

FEL40-009 Without Legs  
FEL40-010 With Legs

### Splash Bathlifter

The Splash is an ultra-lightweight and compact bath lift with a fixed back, which allows it to fit close to the back of the bath for improved legroom. The hand control features large rocker switches for simple and easy control and the low seat height provides good immersion in the water.

Backrest height: 580mm/23in

Seat width: 350mm/14in

SWL: 127kg/20st

FEL06-001 Splash Bathlifter

### Deltis Bathlifter

The Deltis bath lift is lightweight and compact and features a reclining back for relaxing bathing. Both the seat and the back are gently contoured for extra comfort. The Deltis can be folded away when not in use and separates into two parts for easier carrying and storage.

Backrest height: 680mm/27in

Seat width: 375mm/15in

SWL: 140kg/22st

FEL06-013 Deltis Bathlifter

### Bathing Cushion

The Bathing Cushion is designed to allow the user to lie right down in the bottom of the bath, with the option of leaving the cushion semi-inflated for comfort and support. Once the cushion is inflated, the hand control is used to deflate the cushion, gently lowering the user into the water. It weighs just 2kgs, making it exceptionally light and portable.

Backrest height: 350mm/14in

Width: 590mm/23in

SWL: 135kg/21st

FEL06-004 Bathing Cushion

## Bereno Walk-in Bath

The Bereno is a fixed height bath with a side door and powered seat to make access in and out of the bath easier. It retains the qualities of a full-length bath and is ideal for those requiring minimal assistance or who want to maintain their independence. The powered seat can be left in a raised position to support the user while showering and can also be removed if necessary.

### Options

- Available without the powered seat
- Left or right hand models available
- Air spa
- Colour spa
- Music spa
- Soft seat

FEL07-018 Bereno Walk-in Bath

### Technical Information

Length: 1500 or 1700mm/59 or 67in

Width: 700mm/28in

Height: 568mm/22in

SWL: 165kg/26st

## Compact Care Bath

The Compact is a fixed height care bath with a powered transfer seat to provide easy access and smooth, comfortable transfers for users with limited mobility.

### Features and benefits

- Features generous internal dimensions within a very compact structure
- Slipper bathtub design provides secure and relaxing bathing
- High quality build for daily use

### Options

- Height adjustable model available
- Left or right hand models available
- Air spa
- Colour spa
- Music spa
- Hoist access panel
- Lap belt

FEL07-223 Compact 16 Care Bath  
FEL07-224 Compact 17 Care Bath

### Technical Information

Length: 1600 or 1700mm/63 or 67in

Width: 750mm/30in

Height: 726mm/29in

SWL: 150kg/24st

## Medley Ergo Select Care Bed

The Medley Ergo Select is a height adjustable 4-section profiling care bed that provides excellent quality, functionality and affordability. The mattress platform is designed to reduce shear and friction and to prevent sliding when profiling the bed. Twin height positions for the mattress platform also allows the height adjustment range to be tailored to individual needs.

The Low model is identical to the standard version but offers a lower start height for users who are more vulnerable to falls.

FEL33-004	Medley Ergo Select Care Bed
FEL33-012	Medley Ergo Select Low Care Bed

### Technical Information

Height: 400 – 800mm/16 – 31in or  
330 – 730mm/13 – 29in (Standard version)

Height: 210 – 610mm/8.3 – 24in or  
280 – 680mm/11 – 27in (Low version)

Length: 2240mm/88in

Width: 1020mm/40in

SWL: 180kg/28st

## Orwood Divan Bed

The Orwood divan bed has a 5-way profiling action, providing adjustable support for a wide range of positions.

FEL33-026	Orwood Divan Bed
-----------	------------------

### Options

- Available in single or double bed sizes (from 2ft 3in to 4ft 6in)
- Range of headboard styles
- Choice of 5 mattresses including pressure relief options

### Technical Information

SWL: 120kg/19st

## Sherborne Dorchester Divan Bed

The Dorchester offers the comfort of a 4-section profiling bed with the appealing aesthetics of a premium divan bed. It incorporates a range of added features, including a storage drawer and memory function as standard.

FEL33-040	Sherborne Dorchester Divan Bed
-----------	--------------------------------

### Options

- Available in single or double bed sizes (from 2ft 3in to 6ft)
- Range of headboard styles & colours
- Range of base colours
- Choice of 8 mattresses including pressure relief options

### Technical Information

SWL: 160kg/25st

**Shoe Horn**

Ideal for those with poor grip or mobility problems, providing a secure surface to anchor items.

FEL40-218	Round Dycem Mat 190mm
FEL40-219	Rectangular Dycem Mat

**Dycem Grippimat**

The Grippimat is a thinner and more flexible version which can be used for tasks such as opening jars.

FEL40-221	Dycem Grippimat
-----------	-----------------

## Rise & Recline Guide

### Single motor action

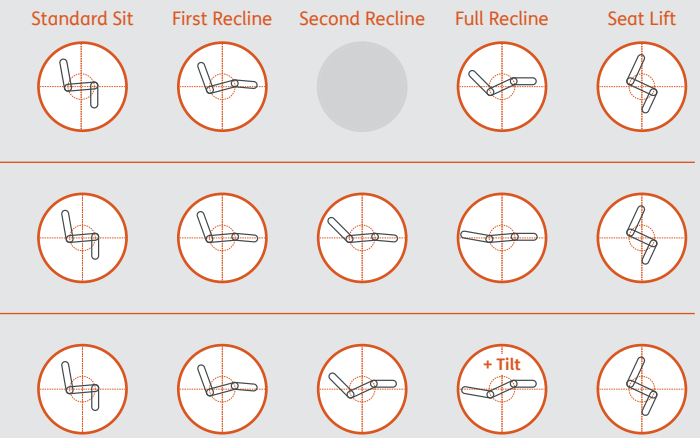

Provides a two-way, tilt-in-space action that gives high leg elevation without shear or friction as the seat to back angle remains constant.

### Dual motor action

Allows independent control of the backrest and legrest. The backrest can be reclined virtually horizontal with minimal shear or friction.

### Dual motor tilt-in-space action

Allows independent backrest operation with the addition of a tilt-in-space recline motion to significantly increase comfort. A multi-position legrest elevation is also provided.

## Falkland Upright Chair

The Falkland is an attractive and comfortable upright chair with a high supportive backrest and a range of options to suit individual needs.

### Features and Benefits

- Extended handgrips to assisting in rising
- Wide choice of fabrics (including breathable and waterproof) and wood finishes
- Ability to mix and match sizes

### Options

- Manual recliner model
- Angle adjustable legrest
- Infilled sides and wings
- Adjustable height neck pillows

FEL36-095 Mistley Rise & Recline Armchair

**Waterfall back**  
Exceptional comfort and positioning when seated; the three fibre-filled pillows can be adjusted to suit individual needs, while the generous wings support the cushioning and in turn the seated individual.

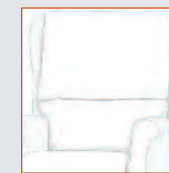

**Firm back**  
This style of buttoned backrest provides more structured support and positioning than the fibre-filled cushion styles, for those users that prefer a more definitive seated position.

**Soft Back**  
A traditional, softly cushioned back that provides comfort and support with classic buttoning as a design feature.

**T-Back**  
An adaptable, three pillowed back with removable cushions that can be positioned to accommodate back posture. The central break is particularly beneficial for back problems, as pressure is relieved when sitting for long periods.

**Split Back**  
A stylish yet supportive back with two adjustable fibre-filled cushions for comfort.

## Chatsworth Rise & Recline Armchair

The Chatsworth rise and recline armchair can be customised to individual needs with a wide range of options, including tailored dimensions. It also features the ability to adjust its lift and tilt action to create the best rising position and to help with transfers.

- Options
- Single, dual or dual tilt-in-space action
  - Backrest styles (waterfall back, firm back, soft back, T-back, split back)
  - Wide choice of fabrics including breathable and waterproof options
  - Available in three standard sizes or tailored dimensions
