THE KSL

Introducing 'The KSL' our lightest and most iconic award-winning Küschall chair designed for experienced users. Discover how this chair has it all, from a super light, rigid design, to a precise fit with even more options. It's time to Unlimit your World and achieve your ambitions.

A MASTER IN REFINEMENT

'The KSL' is a master in refinement. Elegant lines, discreet styling and iconic minimalism makes it an unrivalled choice. Designed to understand your individuality, 'The KSL' puts you first no matter where you go.

PRECISE FIT

'The KSL' provides a tailored and personalised experience. It is built with a powerful geometry that flows seamlessly through its design. The precise fit ensures high levels of quality and functionality every time.

***SUPER LIGHT
& EXTRA
RESPONSIVE***

'The KSL' is our lightest and most agile Küschall designed with intuitive and responsive technologies. It confidently does the hard work for you and delivers a best-in-class performance.

LATEST INNOVATIONS

FW

The KSL with FW (Fully Welded) gives even better agility and performance in the chair. This option is a complete box frame from the front to the back and features a built-in grab bar for even easier handling.

COG

The KSL with COG (Centre of Gravity) is a new dynamic option giving you more adjustment in 'The KSL'. Simply choose the right wheel position for you at anytime.

TAKE A CLOSER LOOK

SUPER LIGHT

Fitted with carbon guards and axle for optimum weight reduction and drive performance. **Just 4.3 kg to transport.**

RESPONSIVE

The super-lightweight rigid frame provides effortless motion with great responsiveness indoors and outdoors.

LATEST INNOVATIONS

New COG (Centre of Gravity) and FW (Fully Welded) options.

ERGONOMIC GRIP

For easier repositioning and transfers.

PRECISE FIT

Shaped around you and your needs with no adjustments required.

EASY TO HANDLE

With the lightweight frame and optional welded grab bar.
