

Küschall®

CHAMPION

UNLIMIT YOUR WORLD

We at Küschall believe anything is possible when you have the power to achieve it. The Küschall Champion offers a superior solution for you. Unlimit your adventures, unlimit your performance, **Unlimit your world.**

KÜSCHALL CHAMPION

Küschall Champion is the **unique** wheelchair that will give you the driving experience of a rigid frame with the convenience of a folding. It's the ultimate combination of modern design with proven **hybrid** performance. The SK (Swiss knife) option will make your Küschall Champion **super compact** to the size of a backpack, the perfect travel companion for your adventures.

HYDROFORMING

Strength, lightness and rigidity. The hydroformed front frame on the Küschall Champion enhances your driving performance, increasing the stiffness and enabling effortless transfers with the ergonomic grip.

HYDROFORMED FRONT FRAME

- Optimised driving performance due to lower flex (higher stiffness) in knee area.

LIGHT ACTIVE BRAKE

- Minimalistic design, precision even in the smallest details.

SUPER COMPACT

- The SK (Swiss knife) option enables the Champion to fold down to the size of a backpack

Kuschall® CHAMPION

CARBOLIFE HANDRIMS

- The innovative handrim profile enables you to gain control, the low effort grip reduces the stresses during propelling.

FOLDING MECHANISM

- Fold the wheelchair and the backrest effortlessly in one movement.

UNIQUE FOLDING UNIT

- Quick and easy centre of gravity adjustments ensure you're sitting at the optimum position for your preferred activity level.

KEEP ON TRACK

- Intuitive castor housing adjustment, keeps the Champion rolling smooth and steady.

KEY FEATURES

UNIQUE

As well as being small, practical and configurable, the Champion is also adjustable.

9 position centre of gravity

Rear and Front seat height

Backrest height and angle

Multiple adjustments ensures the Champion remains the perfect fit around you.

HYBRID

The folding mechanism is the reason the Champion has a superior driving performance vs other foldable wheelchairs. Perfectly engineered, to deliver the rigidity, appearance and driving performance of a rigid wheelchair, with the practicality of a folding.

SUPER COMPACT

Simply fold the main frame with the unique designed folding mechanism, for compact and easy transportation or travel. Get it super compact with the SK (Swiss knife-folding) option, enables the Champion to be folded even smaller.

HYDRO-FORMED FRONT FRAME

The newly designed hydroformed front frame provides an ergonomic grip to support comfortably while repositioning and during transfers.
