

Raizer II

The New and Improved
Emergency Lifting Chair

felgains.com/raizer2

Faster, stronger, and more stable than traditional inflatable lifting cushions - and an upgrade on Raizer I - the Raizer II is an ideal solution for transferring a fallen person from the floor to a sitting or standing position.

The Raizer II has been designed with additional features and benefits to even further improve the quality of your falls response.

Even Easier To Assemble

Four identical legs and two identical backrests to ensure correct assembly every time - complete with audible tone when correct.

On-Unit Remote Control Storage

Never worry about losing your remote control again. Simply click it into the seat unit when not in use.

New More Intuitive Auto-Stop

Simply pull out the button to immediately halt the operation of the chair.

New Improved Ergonomics

For superior user comfort and convenience.
